

WANTED

DESCRIPTION

Name: Santa "RML" Clause

Age: Unknown

Sex: Yes

Height: Unknown

Weight: Unknown

Main Charge

Wanted in connection with driving 64-bit in a 32-bit zone.

Indictments

As a direct result of the main charge, it has come to be known that the following items are now in threat of permanent demise, namely, Pro-Tools, Logic, Garage Band, Cubase, Reaper, Harrison Mixbus, Ableton Live, FL Studio, Reason, Presonus Studio One, Sonar, Sony Acid, BitWig and AMP.

Holders of the above applications are seeking the maximum penalty of life imprisonment on the Isle of Elba wherein Santa "RML" Clause will then be relegated to making the above applications work equally as well as the existing applications of SAWStudio and Software Audio Console.

Any resistance on the part of Mr. Clause will result in the enforcement of the permanent use of one iPad Pro, using Avid ProTools with no possible use of a keyboard and a mouse—for the rest of Mr. Clause's natural life.
